Carpet-Baggers.

Since Horace Greeley commenced a war upon the carpet-baggers, every The Louisville Commercial to the Hon. lef- Reliable News from the Reservations---Letbody is joining in the crusade. We attacked these plunderers in the heyday of their power, and many condemned our course, and said we were driving capital from Memphis and inviting military rule. But now that the carpet-baggers are powerless, we notice a disposition to assail them by many of those who shirked when the many of those who shirked when the assault they are now making would have been of service. We published, have been of service. We published, ideemed necessary, and as he has deemed necessary, and as he has of their treatment while in Washington and other cities which they visited the carpet-baggers, and we see the last Tribune, he has renewed be, and has given the story as promptions. We satisfact the could adopt in th

indebtedness, abundantly, deplorably attest. Such is the naked truth, exaggerated, very naturally, by partisan hostillty and bitterness, but bad enough when reduced to its real dimensions. This rapacity has embiting the such as the su tered the ex-Rebels, who were bitter enough already, and too willing to believe that every Republican was, of course, a canting knave. It has alienated and repelled many who would Progress of the Examinations of the laves have been Republicans ere this, had the new State governments been thoroughly upright and frugal; and it was imperative, on many accounts, that they should have been,"

The Tribune says these "thieving carpet-baggers" have impeded reconstruction, and concludes with the following warning to its Radical bers of the committee and notified killed by the Tonkaways scouts in the

brethren: "Republicans of the South! you have a desperate struggle just ahead, sequence of want of time for his ex- hard at work attending them. Some and you cannot win unless you send amination before the date appointed little alarm is felt there about the these villains to the rear. You can- for recess, July 18; but this was the Klowa Indians, thinking they might these villains to the rear. You cannot rely on their modesty or their sense of decency; they will push themselves forward into the most conspicuous posts, no matter at what peril and mischief to your cause, unless you sternly say, "Go back, thieves!" You cannot afford to be delighted with most only case of the kind.

It was further stated that the leader of the Ku-Klux in Orange county, North Carolina, F. M. Strudwick, an impeacher of Governor Holden, asked three several times for delay, but finally he came to Washington and reported to the sergeant at arms the day thieves!" You cannot afford to be delighted with most who do not know the first only case of the kind.

It was further stated that the leader of the Ku-Klux in Orange county, North Carolina, F. M. Strudwick, an impeacher of Governor Holden, asked three several times for delay, but finally he came to Washington and reported to the sergeant at arms the day previous to the time for his determined to remain at peace.

The Rapparickas are encamped on the Washita. They determined to remain at peace with the whites. delicate with men who do not know examination, and left the city what delicacy means. Unless you again summoned, but asked show by your acts that you detest for further time, saying he was sick. peculators, and scorn to be led by He has not appeared before the comthem, you will be beaten, and will mittee. W. L. Saunders, reputed deserve to be. You can put these iel-Carolina, was also summoned, and lows where they belong if you try; asked for further time. Plato Dur-

plunderer seems to think he is alluded against members of the Ku Klux in tion of all such to the following anecdote: "The eccentric Lorenzo Dow was once approaching a place where he had an appointment to preach, when a stranger complained to him that his watch had been stolen from Dow assured the victim that his watch Arstingstall, Torres and Webster-Their would be returned, and, picking up a bowlder that weighed a pound or so hid it under his closk and entered the pulpit. After preaching zealously for hall an hour or so, he suddenly there not too many heads ducking in ly, but black with soot. deference to our denunciation of Cincinnati, July 2s.—An aeronaut superintendent of the Pittsburg, Cin-"thieving carpet baggers?" "
